Deemed to be University | Established under Section 3 of UGC Act, 1956

CENTRE FOR VOCATIONAL EDUCATION, SKILLING AND TRIBAL EMPOWERMENT

TRAINEE VOCATIONAL TRAINING PROFILE

& COMPLETE LEARNING JOURNEY PORTFOLIO

Official Comprehensive Experiential & Competency Dossier (20-Section Standard)

CANDIDATE DOSSIER PARTICULARS

Trainee Full Name:	Sita Majhi
Institutional Reg. No.:	KISS-VT-2026-001
Vocational Trade:	Tailoring and Apparel Making
Training Programme:	Apparel Manufacturing & Fashion Technology
Batch / Cohort:	Apparel Tech Cohort 2026-A (BATCH-APP-2026-A)
Training Duration:	12 Weeks (180 Total Hours)
Training Period:	01 Jul 2026 to 20 Oct 2026
Assigned Trainer:	Bhabani Shankar Sahoo (Apparel Manufacturing & Textile Technology)
Assigned Mentor:	Dr. Jayashree Das (Assistant Professor)

Certificate Identifier: KISS-VT-CERT-2026-0001

Date of Issuance: 31 Oct 2026 | Tamper-evident electronic portfolio

SECTION 2: TRAINEE PERSONAL PROFILE

Full Legal Name:	Sita Majhi	**Registration No.:**	KISS-VT-2026-001
Date of Birth:	12 Apr 2007 (Female)	**Tribal Context:**	Santhal
Grade / Dept:	Grade 11 (Vocational) | Directorate of Vocational Education & Livelihoods	**Home District:**	Mayurbhanj, Odisha

SECTION 3: TRAINING PROGRAMME OVERVIEW

Comprehensive 12-week professional vocational course empowering students with end-to-end industrial apparel production skills, indigenous textile heritage fusion, and commercial tailoring competencies.

SECTION 4: DEFINITION OF TRAINING SCOPE

Covers foundational sewing machine mechanics, safety ergonomics, fabric grain alignment, complex pattern cutting, collar/pocket construction, finishing, steam pressing, and market readiness.

SECTION 5: TRAINING OBJECTIVES & COMPETENCY TARGETS

1. Master industrial lockstitch and overlock machine handling.
2. Execute precise anthropometric measurements and pattern grading.
3. Implement industrial assembly line garment assembly.
4. Integrate traditional Santhal and tribal geometric motifs into commercial garments.

SECTION 6: TRAINER AND MENTOR APPOINTED DETAILS

Certified Instructor / Trainer:	Bhabani Shankar Sahoo | Master in Fashion Technology (NIFT) (8+ Yrs Exp)
Assigned Faculty Mentor:	Dr. Jayashree Das | Assistant Professor, Dept of Vocational Psychology & Tribal Student Mentorship
Mentorship Governance:	Weekly pastoral check-in, skill verification, behavioural evaluation, and career counselling.

SECTION 7: ROLES AND RESPONSIBILITIES OF PARTICIPANTS

Trainee: Punctual daily attendance, active participation in hands-on workshops, adherence to safety machinery protocols, and submission of daily log diaries. Trainer: Practical pedagogy demonstration, technical supervision, attendance validation, and competency assessment. Mentor: Continuous guidance, psycho-social support, career alignment, and objective review.

SECTION 8: TRAINING METHODOLOGY

Hands-on workshop experiential learning (75%) combined with interactive classroom technical lectures (25%), supervised by certified master craftsmen.

SECTION 9: COMPLETE DAY-WISE CHRONOLOGICAL TRAINING TIMELINE

The following empirical timeline represents verified day-by-day practical and theoretical learning logged in KISS-VTMS:

Day	Topic & Date	Theoretical Content	Practical Tasks & Skills	Tools / Machinery Used	Hrs
Day 1 02 Jul 2026	**Orientation, Workshop Safety & Industrial Trade Ethics**	Overview of occupational safety norms, electrical precautions, fire safety, and ergonomic posture.	Emergency exit walk-through, first aid drill, workshop sanitisation, and protective gear inspection.	Safety goggles, fire extinguishers, first aid kit, ergonomic seating.	**4**
Day 2 09 Jul 2026	**Mechanics of Single Needle Lockstitch Machines**	Mechanical anatomy of sewing machines: bobbin winding, upper thread path, and tension discs.	Disassembly and re-assembly of bobbin case, needle installation, thread tension calibration.	Industrial lockstitch machines, screwdriver set, machine oil, test	**4.5**
Day 3 16 Jul 2026	**Fabric Anatomy, Grainlines and Shrinkage Analysis**	Warp vs weft yarn characteristics, straight grain, cross grain, bias elasticity, and shrinkage rates.	Grainline tearing test, water immersion shrinkage measurement on cotton and linen samples.	Measuring tape, fabric scissors, water bath, pressing iron, GSM	**4**
Day 4 23 Jul 2026	**Anthropometric Measurement Taking and Body Geometry**	Standard anthropometric anatomical reference points: bust, waist, hip, nape, cross-back.	Peer measurement recording on specification sheets, posture variance compensation.	Fiberglass measuring tape, waist tape markers,	**4**
Day 5 30 Jul 2026	**Pattern Drafting: Basic Bodice and Sleeve Block**	Principles of 2D to 3D translation: darts, apex positioning, armhole curvature geometry.	Drafted full-scale front and back basic bodice block and plain sleeve onto brown kraft paper.	French curves, L-square, grading rulers, pattern paper, tracing	**5**
Day 6 06 Aug 2026	**Industrial Rotary Cutting and Fabric Layout**	Marker efficiency, fabric wastage minimization, nap and directional print alignment.	Pinned pattern blocks onto 2.5m cotton fabric, executed marker layout, cut panels.	Rotary cutting machine, tailoring shears, tailor chalk,	**4.5**
Day 7 13 Aug 2026	**Basic Seam Construction and Overlock Finishing**	Plain seams, French seams, flat-felled seams, and 5-thread overlocker stitch formation.	Stitched sample seam board comparing seam strengths; threaded and adjusted overlocker.	5-Thread industrial overlock machine, seam ripper, pressing	**4.5**
Day 8 20 Aug 2026	**Collar and Neckline Engineering**	Mandarin, Peter Pan, and shirt collar construction; interfacing weight selection.	Fused non-woven interfacing, stitched collar points, attached collar to test bodice.	Steam iron, fusible interfacing, point presser, tailoring chalk.	**4.5**
Day 9 27 Aug 2026	**Sleeve Insertion and Ease Distribution**	Crown ease distribution, notch alignment, and armhole circumference matching.	Gathered sleeve crown ease, pinned notches to armhole, set sleeves without puckers.	Lockstitch machine, tailoring pins, tailor ham, sleeve board.	**4.5**
Day 10 03 Sept 2026	**Fasteners: Concealed Zippers, Buttonholes & Plackets**	Concealed zipper mechanics, continuous bound plackets, buttonhole bar tacking.	Installed concealed zipper using zipper foot; operated automatic buttonholer machine.	Zipper presser foot, automatic buttonhole machine, buttonhole	**4**
Day 11 10 Sept 2026	**Traditional Santhal Motif Embellishment & Tribal Fusion**	Indigenous tribal geometric symbols, cultural embroidery motifs, and heritage story-telling.	Applied handcrafted Santhal geometric thread motifs onto collar and yoke panels.	Embroidery needles, silk anchor threads, wooden hoops, tracing	**5**
Day 12 17 Sept 2026	**Costing, Bill of Materials (BOM) & Inventory Management**	Direct fabric cost, thread consumption, overheads, labor markup, wholesale pricing.	Calculated comprehensive BOM and retail selling price for a designer Kurti.	Scientific calculator, BOM spreadsheet, market price catalogue.	**4**
Day 13 24 Sept 2026	**Capstone Garment: Traditional Fusion Kurti Production (Part 1)**	Production scheduling, critical path method, sequence of garment operations.	Commenced capstone garment: cut luxury handloom fabric, prepared yokes and pockets.	Heavy-duty shears, cutting table, lockstitch machine, pressing iron.	**5**
Day 14 01 Oct 2026	**Capstone Garment: Assembly, Finishing & Steam Pressing**	Final inspection standards, thread trimming, industrial vacuum steam pressing.	Completed side seams, hemmed bottom flounce, pressed garment on vacuum board.	Industrial gravity feed steam iron, vacuum pressing board, thread	**5**
Day 15 08 Oct 2026	**Final Practical Evaluation & Trainee Portfolio Presentation**	Vocational viva voce, presentation skills, career pathway exploration.	Presented capstone garment to evaluation panel; demonstrated speed sewing test.	Presentation mannequin, display stand, training diary	**4.5**

SECTION 11: VOCATIONAL COMPETENCIES AND SKILLS ACQUIRED

[V] Industrial Lockstitch Machinery Control
Proficiency: Advanced Competent | Category: Machinery Operation

[V] Anthropometric Measurement & Body Geometry
Proficiency: Advanced Competent | Category: Technical Drafting

[V] Full-Scale Pattern Drafting & French Curve Grading
Proficiency: Advanced Competent | Category: Technical Drafting

[V] Precision Fabric Shearing & Marker Optimization
Proficiency: Advanced Competent | Category: Cutting & Layout

[V] 5-Thread Overlock Edge Finishing & Loop Balancing
Proficiency: Advanced Competent | Category: Machinery Operation

[V] Mandarin & Shirt Collar Engineering
Proficiency: Advanced Competent | Category: Garment Construction

[V] Symmetrical Set-in Sleeve Insertion
Proficiency: Advanced Competent | Category: Garment Construction

[V] Concealed Zipper & Automated Buttonhole Installation
Proficiency: Advanced Competent | Category: Fasteners & Fittings

[V] Traditional Santhal Motif Heritage Embroidery
Proficiency: Advanced Competent | Category: Cultural Embellishment

[V] Industrial Vacuum Steam Pressing & Tolerance Inspection
Proficiency: Advanced Competent | Category: Quality Assurance

SECTION 12: COMPREHENSIVE ATTENDANCE REGISTRY & METRIC

Total Sessions Conducted: 15 **Sessions Present:** 14 **Overall Attendance %:** 93.3%

Absences Recorded: 0 | Approved Leaves: 1 | Compliance Gate (75% Minimum): MET / QUALIFIED

SECTION 13: MODULAR & CAPSTONE ASSESSMENT RESULTS

Assessment Title	Type	Max Marks	Marks Scored	Percentage	Result
Trade Safety & Machine Mechanics Theory Test	THEORETICAL	50	**47**	**94%**	**PASS**
Pattern Drafting & Fabric Shearing Practical Exam	PRACTICAL	50	**46**	**92%**	**PASS**
Garment Assembly & Pocket Insertion Mid-Term Project	PROJECT	50	**48**	**96%**	**PASS**
Final Capstone Traditional Fusion Kurti Demonstration	FINAL	100	**94**	**94%**	**PASS**

SECTION 14: TRAINER FINAL EVALUATIVE REVIEW

Candidate exhibits commendable practical aptitude, exceptional workshop etiquette, and readiness for trade employment.

SECTION 15: QUALITATIVE MENTOR FEEDBACK AND CAREER GUIDANCE

Session Date: 25 Jul 2026 | Focus: Transition to vocational training, confidence building, hostel adjustment
Observed Strengths: Very punctual, shows deep respect for tools and machinery, quick learner.
Improvement & Career Recommendation: Pair with peer study group for theory tests; encourage active questioning.

Session Date: 28 Aug 2026 | Focus: Mid-term progress, practical stress management, indigenous motif design
Observed Strengths: Exceptional visual balance in traditional Santhal motif placements.
Improvement & Career Recommendation: Encourage participation in annual tribal craft exhibition.

Session Date: 10 Oct 2026 | Focus: Final graduation review, livelihood pathway, micro-enterprise grant aspiration
Observed Strengths: Complete mastery of industrial apparel sewing, meticulous quality standards.
Improvement & Career Recommendation: Strongly recommended for advanced entrepreneurship incubation and KISS seed grant.

SECTION 16: CAPSTONE PROJECT AND PRACTICAL DEMONSTRATIONS

Trainee completed the end-of-term capstone practical portfolio for Apparel Manufacturing & Fashion Technology. The submitted outputs adhered to high precision standards, demonstrated efficient material utilisation, and showed strong commercial viability for livelihood empowerment.

SECTION 17: INSTITUTIONAL LEARNING OUTCOMES VERIFICATION

Graduates independently design, cut, assemble, and quality-certify traditional and western garments, ready for self-employment or industrial apparel unit absorption.

SECTION 18: FINAL CUMULATIVE EVALUATION SCORECARD

Attendance Compliance:	93.3% (PASSED)	**Assessment Grade Average:**	**94.0% (PASSED)**
Vocational Grade Awarded:	**Grade A+ (Distinction)**	**Institutional Recommendation:**	**CERTIFIED FOR VOCATIONAL LIVELIHOOD**

SECTION 19: COMPLETION SUMMARY STATEMENT

This Trainee Profile and Complete Training Journey Portfolio serves as an official institutional record of the comprehensive technical competencies, workshop disciplines, and character development achieved by Sita Majhi at Kalinga Institute of Social Sciences (KISS), Bhubaneswar, Odisha. All logged entries, evaluations, and attendance calculations have undergone multi-tiered verification in accordance with KISS Vocational Directorate regulations.

SECTION 20: AUTHORISED INSTITUTIONAL SIGNATURES & DIGITAL SEAL
